**Saturday,
November 26th
1-3 pm**

Behind the Smile takes the reader back to Renaissance Italy in a story that is as old as love itself, with a twist that will leave you looking at something you thought you knew in a whole new way. Your mind may tell you it's make-believe, but your heart will tell you it's true.

Joseph Bebo lives in Hudson, MA, with his wife Kathy. He has written 16 books in many genres, including historical fiction, science based thrillers, horror, and crime dramas with martial arts action, as well as non-fiction stories about travel, music, and special needs.
