Writing Historical Fiction with Dawn & Janis

Dawn Reno Langley

Join award-winning authors Dawn Reno Langley and Janis Robinson Daly in a fascinating discussion about what it takes to write historical fiction. They'll spill the tea about the stories behind their stories: the inspiration for Langley's *The Mystic* and the way reality inspired fiction in Daly's two novels

Janis Robinson Daly

about Eliza Edwards, a doctor during the Depression. Each author will read a selection from their new novels and discuss how historical details weave into fiction, and how their female lead characters developed during their stories. They will leave time to entertain all questions about the business of publishing.
