3rd Generation Silhouette Artist

ERIK JOHNSON

Erik Johnson is a third-generation silhouette artist who began learning the craft at age 10 from his father, Edward M. Johnson. For over 10 years, the Johnson family has traveled the world creating timeless, hand-cut silhouette portraits. Erik continues the tradition, cutting each silhouette in under five minutes at children's boutiques, toy stores, weddings, and special events. He has crafted thousands of heirloom keepsakes for clients worldwide. He lives in the beautiful Queen City of Charlotte, NC, and is the proud father of five children.

Silhouettes make great gifts! They only take a few minutes to create and last a lifetime.
