Barton Stewart

**Saturday,
October 26
12 - 4:30pm**

Barton Allen Stewart from Quincy, MA, has had two primary fields of intellectual interest over the years. One is good, character-driven literary fiction. The other is the study of ... cults! Their psychology and tactics. Now he has put the two together in *The Contraption*, a novel that explores a cult experience. The *Contraption* may be the most realistic fictional depiction of what happens in such cases. Bart's first book was *Tales of Real and Dream Worlds*, a collection of nine short stories in the style of *The Twilight Zone*. He will be signing both books at Tatnuck!
