Celebrate National Nurses Month with a registered nurse who became an author! Massachusetts native Ann Watt began her thirty-two-year career in Worcester.

Join Ann as she presents her memoir, *When Being a Nurse Was Fun: Tales from My Life as a Nurse*. The book is a tribute to nurses employed in this caring profession. It contains honest accounts of humanity and medical humor she encountered on the night shift and in ICUs.

Don't miss the opportunity to ask this RN questions about her career and book! Learn why she never regretted becoming a nurse.
