Organized baseball has a problem. Over the past couple of decades batting averages, strikeouts, and OBP have trended overwhelmingly in the wrong direction. Skyrocketing salaries, 1 & 2 tool players, and widespread cheating rule the day while the emergence of an exclusive baseball "club" has fans collectively dismayed.

Based on a true story, *Winning the Day - Saving Baseball* is a MUST read for any parent whose kid loves playing the game. It's often enlightening, sometimes exhilarating, and

ultimately stunning depiction of a young boy's rise through the amateur ranks is coupled with well-documented facts and statistics. A multitude of incontestable conclusions ensure the reader is compelled to acknowledge the underlying reasons behind the current demise of 'America's favorite pastime'.
