The Whalemobile

The Whalemobile is coming to Tatnuck!

The Whalemobile is an incredibly realistic life-sized inflatable whale meant to educate children in a hands on, up close experience. Children can go inside the whale, see the size and the organs, and have a “close to the real thing” experience. All ages are welcome!

Four, 30-minute whale tours will be available, in which smaller groups of children (20 maximum) can have their turn. There is something incredible about going inside a life-sized inflatable whale. Kids learn best while doing. Put those together, and this is an experience they remember forever.
