Max Folsom

Meet Max Folsom, author of the Baker Somerset mystery series!

Baker Somerset, a former Scotland Yard detective, was an expert at handling missing persons cases. But when she's injured during an investigation, Baker decides to take her life in a new direction: leaving the police force to open her very own detective agency - Case Closed Investigations - in Ottawa, Canada.

With skills and determination, Baker Somerset and her friends are on the case!

Author Max Folsom is horrified that she's a 'senior citizen' but at least she's still (partially) a red-head, like Somerset. She and Somerset share a love of coffee, Mini Coopers, movies, the old hard-boiled detectives, and Ottawa. Most of all, she loves writing about the feisty, fearsome, and funny private eye Baker Somerset. Get your copies personalized by the author herself at this signing!
