Kathryn Marie

Kathryn Marie is the author of fantasy romance books full of strong female leads with their own unique twists, dedicated found families, and swoony, tension-

filled romances that will have you falling for your next book boyfriend. She debuted with her historical fantasy romance, the now completed Midnight Duology, about a high-born noble woman who moonlights as a vigilante assassin.

Her newest series, The Kazola Chronicles, is a paranormal fantasy where Criminal Minds meets shifter romance. It takes readers on an epic journey as grumpy wolf shifter soldier Kasha and her beloved found family must overcome their distrust of their new goofy alpha, Nolan, so they can take down a serial killer who has ravaged their home isle for too many years.
