Taylor Tyng

**Saturday,
October 7
12-1pm**

As an individual with severe dyslexia, becoming an author was never on Taylor Tyng's list. His career spanned through the ranks of designer, animator, film editor, and software-maker for the entertainment industry - surrounding himself with storytelling, yet never his own. When a random bedtime story turned episodic, his oldest daughter suggested he write a book. He agreed. Now, Taylor finds endless joy in writing for middle-grade readers, who are no longer children but not quite adults. He lives in Massachusetts with his family. Visit him online at TaylorTyng.com.
