## Pop-Up Shop: Edward's Coffee Company

Edward Stec always enjoyed good cups of coffee and the great conversations they bring. This love for coffee led him to search for the secret to creating a truly amazing cup - and the answer changed his life.

Edward's Coffee Company began roasting in 2019. They experimented with different beans, different origins from around the world, and different roast levels to perfect their beans. Edward and his company created five artisanal roasts that they'd like to share with you: Warrior Roast, Lion Heart, Tanzania Sunrise, Columbian Rainforest, and Peru Decaffeinated.

Edward's was founded because of his love for coffee and he is so excited to share it with you. Get your bag of Edward's Coffee today! Treat yourself to artisanal quality or give it as a wonderful holiday gift!
