Just Sue

**Saturday,
April 6th
2-7pm**

We're all on a unique ride - a SeeSaw. When stories are shared, common ground can be found, making us aware that we're not the only ones going through these experiences. Sue believes God will use this book to help and encourage you with your own life story. She has navigated through bipolar disorder, divorce, and an abusive marriage. Her faith has helped her keep balanced when life's circumstances are trying to bring her down. Sue has found her voice and wants to share the hope and inspiration she has discovered, so others can find ways to manage their own SeeSaw.
