To play, or not to play...That is the question! The Dilly Dally Parrot is a story about a child's challenge with balancing fun with schoolwork, something most kids can relate to. Read the amusing story of how Captain Brainbeard and Polly clash and eventually come to terms with their differences.

Author Jake Marrazzo is a junior at Wheaton College in MA studying film. Jake's first book One Wants to be a Letter was about embracing what makes you unique. Jake lives with Duchenne Muscular Dystrophy and is an advocate for the community. With his family he started a nonprofit 4 Jake's Sake that helps Duchenne families get what they need to make their homes more accessible. A portion of the proceeds from both books go to the foundation.
