

Author Event

**Sunday,
November 2nd
12:30-2:30pm**

Allison Hall

Many children enjoy the make-believe lure of being a Princess. But what about being the Queen? Allison's new picture book takes readers through a day-in-the-life with all the imaginative trimmings of royalty: a castle, a crown, brave knights, and a moat (of sorts) complete with a goldfish named _____ (come visit and find out!)

Something quite magical occurred while watching her grandsons learn to read. It was then that Allison realized she was witnessing a multi-generational love of books unfold before her eyes. How best to continue to perpetuate her family's love of reading than to become an author herself! The best way to describe Allison's work is "encouragement and positivity in the form of verbal sunshine!"
