## Writing Workshop with Christina Bagni

Always wanted to write a book, but don't know where to start? Author and creative writing teacher Christina Bagni is here to teach you how to take that great idea and put it to paper. Through fun exercises and examples, you'll learn how to outline your new project, create engaging characters, plot your novel, and more! It's the perfect class for writers looking to take their book to the next level, as well

as people excited to try out the writing world for the first time.

Christina Bagni's creative work has been published in *Writers Resist*, *Brigids Gate Press*, and the *Santa Fe Literary Review*, among others. She is the Chief Editor at *Wandering Words Media*, a creative writing teacher, and a writer on the *Captain Bitcoin* comic book series. Her first novel, *My Only Real Friend is the Easter Bunny at the Mall* (Deep Hearts YA, 2023) is available now.
