"We always felt we were a bit ahead of our time, we were too folk for rock and too rock for folk but thirty-five years later our songs are as relevant and as fresh as the day that they were written."

A popular duo, Fuzek·Rossoni (John Fuzek and Mary Ann Rossoni) was formed more than thirty-five years ago. Together they've created award-winning songs that deal with such issues as relationships, politics and the environment. Tight harmonies and blends of rhythm, lead and fingerstyle acoustic guitar are their trademark. Independently, both members are now accomplished solo performers and members of bands: Dragon Fly Marie and Midnight Honey (Mary Ann) as well as Forever Young-Neil Young Tribute and CatMoonShadow-Cat Stevens Tribute (John). But together, they still write music and perform the occasional live show like this one!
